

# Verified Jewellery Manufacturers of Implant Grade Titanium

The UKAPP maintains a list of jewellery manufacturers who produce implant grade titanium whose titanium standards meet our requirements.

This will be an ever-changing list as new manufacturers appear on the market or change their business model.

This page lists the jewellery manufacturers of implant grade titanium whose titanium standards meet our requirements. This will be an ever-changing list as new manufacturers appear on the market or change their business model. If you use a supplier who isn't listed here and you would like us to confirm whether their mill certificates meet our standards, simply reach out to: [health@safepiercing.co.uk](mailto:health@safepiercing.co.uk)
